FRIDAY, AUGUST 30 1895.

Per year, in advance Six Month

Address all Communications The Guardian Pub. Co., SAFFORD, ARIZ.

GREAT preparations are being Bluffs to take place the second and loyal to the Democratic party. third weeks in September.

THE Southern Pacific company has formed a combination with other connecting lines to give an excursion around the world for

THE GUARDIAN regrets to learn that Dr. Theo. B. Comstock has weaken the ticket in the East. resigned his position as president of the Territorial University. Dr. ard Billman, who has been appointthe entire satisfaction of the patrons of the University. Mr. Billman has shown his ability as an educator in his labors in the Indian school at Tucson.

cox last week who claims to be an Their platform is one that appeals word, when we come to the elecescaped prisoner from the band of to the members of the Democratic tion of Senators and Presidents. Apaches that was reported out last party, and they will make trouble Under the present system the will CHLAESON, S. M. HALTERMAN, and W. C May. She claims to have been for the president and his office of the people may be set aside and Hovr hereby associate ourselves together, or May. She claims to have been captured by the renegades and had holding army. The battle will be bounds. This once occured when wise disposing of gold, silver, copper and other wise disposing of gold, silver, copper and other never had an opportunity to escape between principle and bulldozing the Democraic candidate for Presiuntil last week. She told her story and the gold bugs will at least dent received one hundred thous and hold all real property and all persona to the military authorities. A know they have been in a fight. troop, under the guidence of the ture or exterminate the band.

From the description given by the Indian woman, the officers believe the camp to be south of the Mexican line, in which case it is very doubtful if their journey will be a success.

A READER of the St. Louis Republie stres the following to that paper for publication:

I send you what is known to be sufficiently indicated in there marks President have secured 35 votes in an infallible remedy for hydropho- I have made. I believe the strug- the electoral college with one bia. It has been used in and about gle now going on in this country thousand majority of the popular Philadelphia for 50 years, and has and in other countries for a single vote. And Georgia gets only six been highly recommended by many gold standard would, if successful, and, prominent people of that place, produce wide spread disaster in This question was agitated in An eminent physician (now deceas and throughout the commercial Congress years ago, but the attempt tion shall be chosen. ed) said that he had known of its world. The destruction of silver was a failure. I believe the Demuse for 30 years and never knew a as money and establishing gold as horns of the delimma and say, ease that failed where it was prop- the sole unit of value must have a down with the electoral college,

The remedy is as follows: To erty except those investments want for President. And further: one and a half ounces of good sound which yield a fixed return in admit all of the Territories into the elecampane root brused in a mortar, money. These would be enorm. Union, and give us all a chance. I add one pint of new milk, boil to ously enhanced in value and would Strips—am seventy three years The private property of all stock owners is half pint, strain off and when cold, gain a disproportionate and unfair old, and because I have been a piotake a dose in the morning, fasting. acvantage over other species of neer all my life, I have not had a No food should be taken for from property. If, as most reliable sta chance to vote for a President of to any office or qualified to hold any office in three to five hours afterwards. Repeat the dose on the third morning. allowing one morning to intervene, and again on the fifth morning.

Three doses are all that is necessary. It is not to late to give it any time before the spasms come on. The above quantity is for an adult; for children give in propor tionate doses, say, to one 12 year: old half the quantity. Doses for a horse or cow should be about four times as great as for a person.

I cannot attest to its efficacy my self, as I never saw it used but once, and then in conjunction with themselves can do nothing.
